What is PML?

Pacific Marine Logistics (PML) is one of the reputable Freight & Logistics Management OUTLET in Pakistan, committed to pay individual attention to each of our customers through professional acumen, entrepreneurial drive, and individual commitment. We are one of the fastest growing company and pride ourselves on zero tolerance towards service capability.

Our vision is to establish PML as the leader in providing creative and cost effective logistics solutions that consistently exceed our customers' expectations. We handle everything from ultra-complex, multi-modal freight movement around the globe to simple, day-to-day transportation freight solutions. Our expertise spans across an array of modes including Truck Load, Project Cargo, Ocean, Rail, Air, LTL, LCL, FCL and Intermodal. PML provides a blend of professional expertise with logistics technology designed to maximize customer value

It is our responsibility to provide proactive and creative solutions, as well as, Good/Old Fashioned, Quality delivery performance, and we take that responsibility seriously through utilizing our creative and proactive thinking, our wide variety of modes and our passion for finding the best value for our customers, we are highly focused on providing our customers the best possible experience.

Raised by a set of seasoned professionals with more than 30 years of rich experience in the shipping & freight forwarding industry, it has made milestones of progress within a very short period of time. Our team is driven by a passion to 'raise the bar' of service in the trade.

Everything at PACIFIC MARINE LOGISTICS is 'Customer Centric'. A solution can be crafted according to your needs, regardless of how you wish to send your goods - by Air, Sea or Land - our core competence is at your service. Our teams encompass all aspects of freight operations, thus meeting the highest standards. Our quality services and expertise create significant cost benefits to our customers.

It is pertinent to mention that freight handling is a specialized service. It warrants careful scrutiny and handling at all levels of the stipulated procedures. PML all the time pay attention with highly professional and experienced staff, with a view to providing prompt output with minimum delay. With strong believe we practically exhibit personalized service to our worthy customers.

Our special areas of expertise in Exports / Imports are handling of Pharmaceuticals, Textiles & Garments, Food Stuffs, Dyes Stuffs, Sports Goods, Leather Goods, Surgical Instruments, Electronics & Machinery, Computers, Medicine, Fertilizers, Glassware and Raw Materials.
